

With great sorrow we report that Ripple Huth, a most beloved member of the Tor House family, passed away this morning at her home in Monterey.

Her volunteer work for the Foundation was one of her passions. She was a Jeffers scholar, a tour docent for 25 years, docent coordinator, and Foundation Archive specialist. She was never happier than when she was reading Jeffers or assisting scholars with research or training docents. She worked tirelessly on the Tor House Spring garden party and for docent recognition programs.

A memorial service is scheduled at Bethlehem Lutheran Church, 800 Cass St., Monterey, October 20 at 2:00 p.m. Reception to follow. In lieu of flowers memorials welcome for Bethlehem Lutheran Church Endowment Fund or Tor House Foundation, P.O Box 2713, Carmel, CA 93921.

... You were more beautiful
Than a hawk flying; you were faithful and a lion heart...
... You are earth and air; you are in the beauty of the ocean
And the great streaming triumphs of sundown; you are alive and well in the tender
 young grass rejoicing
When soft rain falls at night, and little rosy-fleeced clouds float on the dawn.....
